# Message from Our Founder & Executive Director

Looking back on the past year, it is fair to say that it has been the most successful year in Premiere Performances' history - both in terms of ticket sales and revenue. Almost all of our Recitals were sold out (including the balcony for four out of six Recitals) as well as all of our Family Concerts. We also held the first full-scale Beare's Premiere Music Festival since 2020. That means that we continued the momentum we gained during the pandemic, and that we have definitely broadened our audience reach. And we continued to grow our Chamber Music in Schools programme, touring five different ensembles across Hong Kong, including two overseas groups for the first time since 2019!

This year, we moved forward with pilot programs for our Jazz Series and into the Greater Bay Area. We held two jazz concerts at the Teahouse, Xiqu Centre with groups that we brought to Hong Kong for our Chamber Music in Schools programme. They were both incredibly well received and sold out within three weeks. We are excited to be launching Premiere Performances Jazz this Spring in collaboration with Jazz at Lincoln Center! Stay tuned for more details.

Our pilot into the Greater Bay Area was less successful. It seems that it is very tough to attract audiences to recitals with less "popular" programming. Even though we started small, partnering with a beautiful concert hall in Shenzhen that only seats 300 people, it was still difficult to sell enough tickets to cover our costs. For that reason, we are going to pause our activities in the GBA for the time being.

We are so grateful to the Culture, Sports & Tourism Bureau for their continued support under the Art Development Matching Grants Scheme, whereby every dollar we are able to raise in donations and net sponsorship is matched 150% (increased to 180% until March 31, 2025). As this is a Matching Grant, we would receive nothing from the government were it not for the generous and unwavering support of our donor base. Thank you to every individual who donated this past year. Every amount, large and small, is greatly appreciated.

See you in the concert hall!

# Chamber Music in Schools

Making in the inspiration of a live music performance accessible to all is central to PPHK's mission. As one of the few organizations in the city specialising in chamber music, we are proud to be building a vibrant local arts scene and nurturing young audiences with our wide range of Outreach & Education Programmes.

Since the establishment of our Chamber Music in Schools (CMIS) programme in 2013, we have brought 15 different overseas and local ensembles to Hong Kong schools, organising over **510** school performances, and reaching almost **135,000** kindergarten, primary, secondary and special educational needs students and **6,000** teachers.

IN 2023/24, WE REACHED

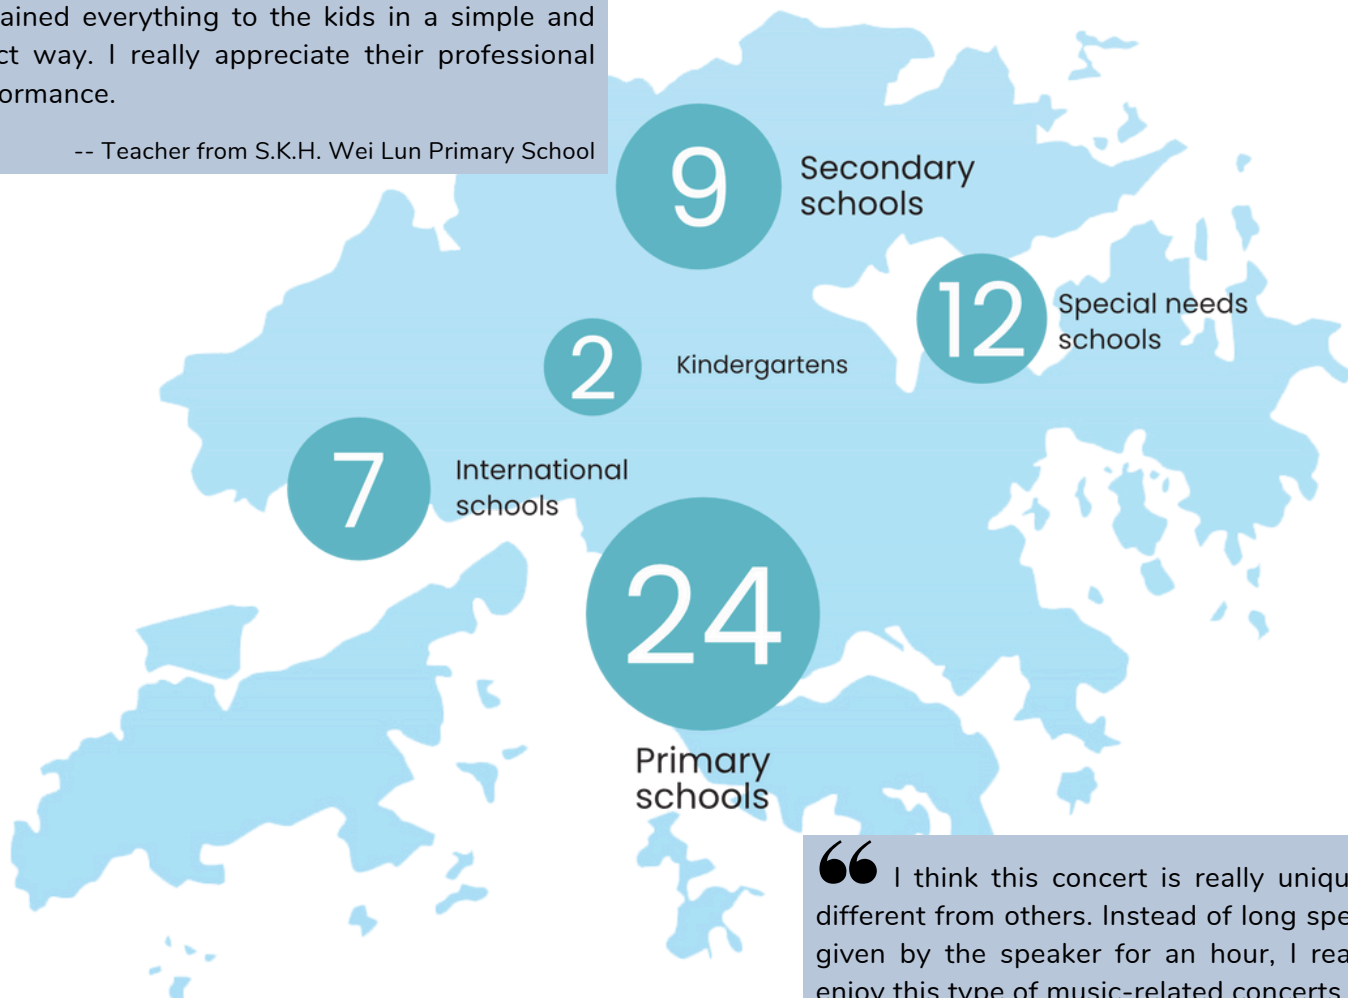

▶ **11,548**  
students

▶ **534**  
teachers

▶ **63**

“ The performers were awesome! They not only have music skills and knowledge but also the skills to interact with kids. I love how they explained everything to the kids in a simple and direct way. I really appreciate their professional performance.

-- Teacher from S.K.H. Wei Lun Primary School

“ I think this concert is really unique and different from others. Instead of long speeches given by the speaker for an hour, I really do enjoy this type of music-related concerts.

-- Student from Carmel Secondary School

In 2023-24, we had five active groups: three local ensembles (Fiesta Brass, Rhythmaker and Viva! Pipers) and two overseas ensembles: Adam Hall & The Velvet Players (from Perth, Australia) and Hot Club of San Francisco (from San Francisco, California, USA).

These groups gave a total of 63 performances at 54 schools during 2023-24 including 2 kindergartens, 24 primary schools, 9 secondary schools, 7 international schools and 12 special needs schools. With these school visits, our groups performed for over 11,500 students and over 500 teachers.

# Recital Series

We had a memorable Recital Series in 2023-24 in which we presented six concerts with a wide range of instruments, repertoire and experiences. All but one of our Recitals were totally sold out.

## Benjamin Grosvenor, piano “Chopin & Liszt”

29 September 2023 (Friday)

Benjamin Grosvenor made his triumphant return to Hong Kong eight years after his début in 2015, with a programme featuring sonatas by Chopin and Liszt. Even though the concert was on the eve of Mid-Autumn Festival, the concert still sold out completely, with 1419 tickets out (including balcony) (99% attendance rate).

“

Program is perfect, coupling of Chopin and Liszt, his performance was super wonderful much more than my expecting ... his Liszt B minor sonata is definitely one of the best I've ever heard from any pianist.”

- Audience Member

“

Everything in Grosvenor's music-making is so natural – a poised, aristocratic stage presence, no unnecessary gesticulations or grimaces, and no over-sentimentalisation. With his superlative artistry and imposing pianism, his playing was revelatory in illuminating the music with his own insights and personality, while remaining true to the intentions of the composers.”

- Anson Yeung, *Interlude*

“

British pianist Benjamin Grosvenor's 'Chopin and Liszt' recital in Hong Kong brings the house down... a tour de force of his technical arsenal”

# Donor Programmes

Donations at every level are extremely important to us, so we have created various donor programmes to support our work. Without private donations, we would simply not be able to continue delivering the range and quality of our programmes.

## Audience of Tomorrow

The Audience of Tomorrow Project is a donor initiative that underwrites tickets to Premiere Performances' concerts, allowing underprivileged children and elderly to attend our concerts. In 2023/24, we donated 359 tickets to beneficiaries

# Financial Information

The 2023-24 fiscal year was the first full year with no COVID restrictions in place, and represents the most successful year-to-date in the history of Premiere Performances, with respect to income, ticket sales and concert attendance.

## Income

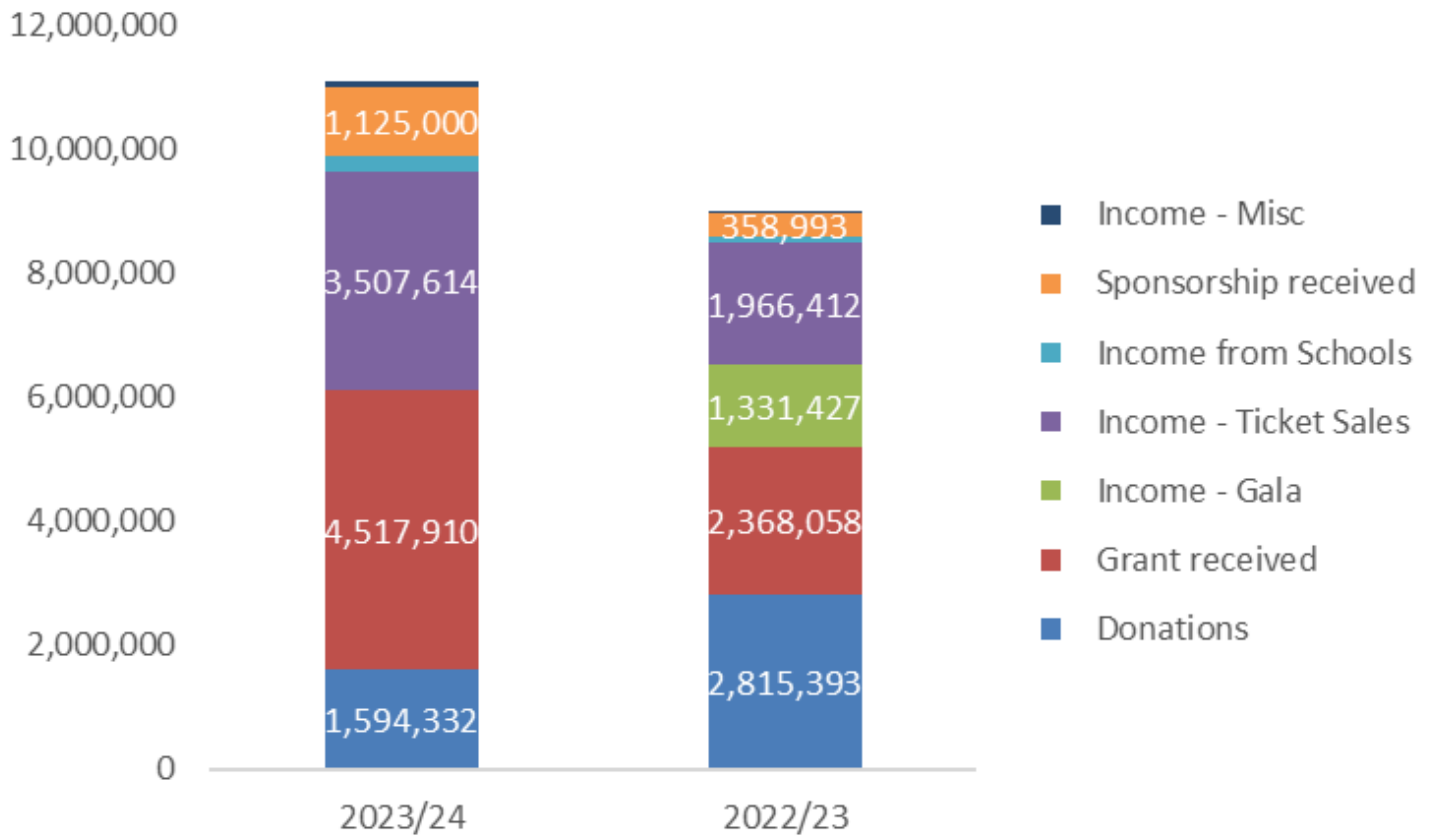

Our income increased by 45% in 2023-24 compared to the previous fiscal year (\$11,069,741 compared to \$7,637,528 in FY2023-24). Our biggest income category remained Government Grants at 41% of our annual income, up 91% year on year (\$4,517,910; up from \$2,368,058 in FY2022-23). This increase in Government Grants is a result of the timing of receipt of certain grants.

We are very fortunate to have the support of the Culture, Sports and Tourism Bureau under the Art Development Matching Grants Scheme. For the fifth year in a row, the Culture, Sports and Tourism Bureau retroactively changed the matching ratio from 1.5:1 to 1.8:1, and increased the maximum amount of the grant from \$4.0 million to \$4.5 million as a special subsidy due to the hardships of the pandemic.

### Income 2023/24 Compared to 2022/23

For the third year in a row, Ticket Sales (\$3,507,614) was the second largest category of income, accounting for a record-breaking 31.7% of our income (up 78% from \$1,966,412 in FY2022-23, which previously was record-breaking). Almost all of our concerts in FY2023-24 were sold out, with record-breaking ticket sales. In FY2023-24, we presented 23 concerts (up from 15 concerts in FY2022-23): 6 Recitals, 7 Family Concerts, 6 concerts in the Beare's Premiere Music Festival and 4 Jazz Concerts. While the increase in ticket sales can be attributed to an increased number of concerts, the average attendance rate was also considerably higher than in previous years.

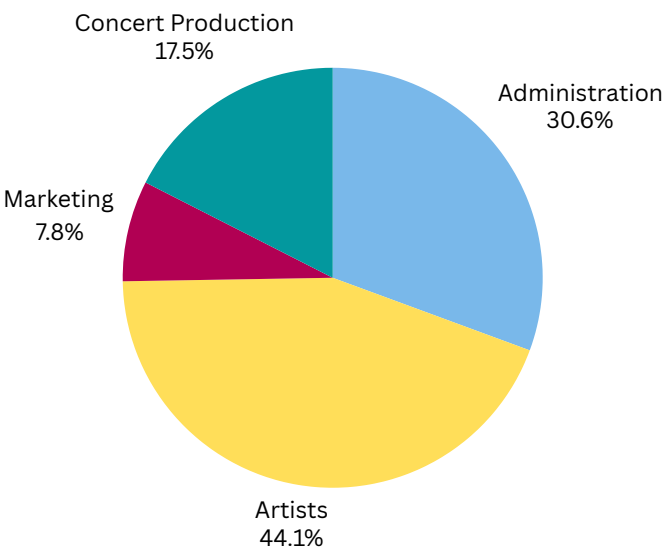

Private donations remain a very important component of our income, comprising 14% of our total income, increasing 8% over FY2022-23. However, as we did not organize a fundraising gala event in FY 2023-24, our overall total donations decreased by 43% (\$1,594,332 in FY 2023-24 compared to \$2,815,313 in FY 2022-23). Where possible, we prefer to limit our fundraising gala events to specific milestones (like an anniversary), and so the next gala is not likely to take place until 2027.

With the return of the Beare's Premiere Music Festival which was held for the first time since 2020, concert sponsorship bounced back, accounting for 10% of our annual income (up from 5% in FY2022-23). We raised \$1,125,000 in concert sponsorship in FY 2023-24, which is considerably more than the \$358,993 we raised in FY 2022-23, representing an increase of 213%. Corporate sponsors included J&A Beare, the Title Sponsor of the Beare's Premiere Music Festival, BNP Paribas, who continue to support the Viva! Pipers for their Chamber Music in Schools tour, Sun Hung Kai Foundation who sponsored the recital by Alice Sara Ott, and Interlude, which supported the Romantic Interlude concert during the Beare's Premiere Music Festival. The recital by Miloš was also sponsored by a private individual.

Expenses

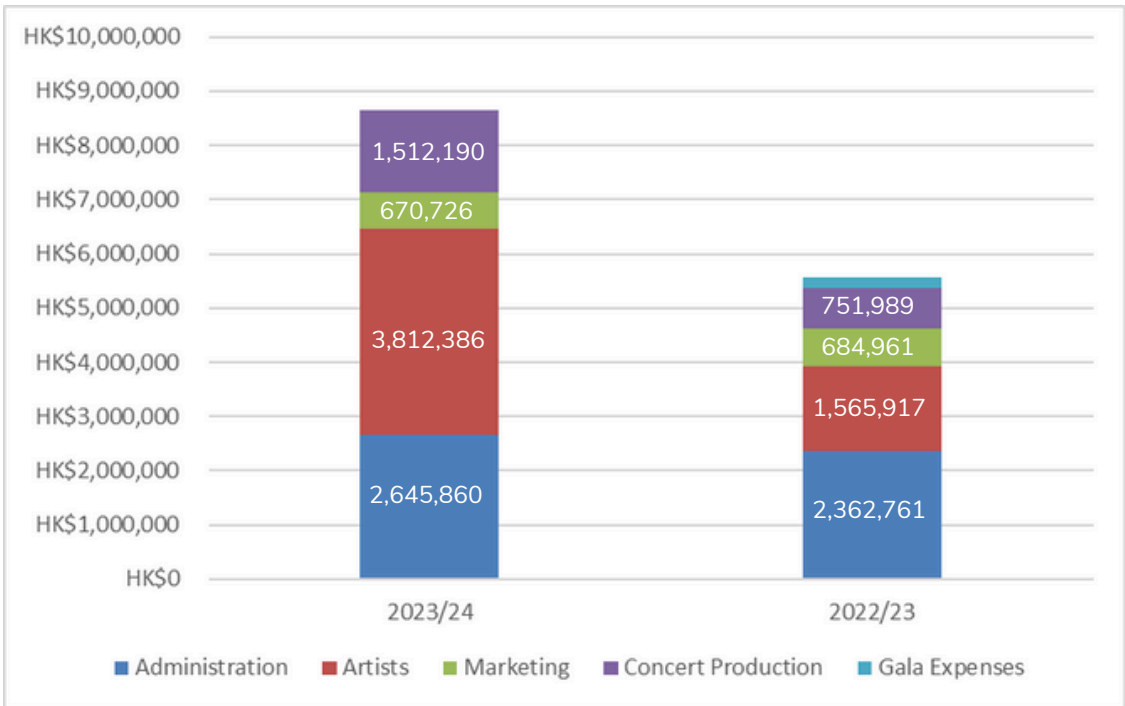

With all of this increased activity, our Total Expenses for FY 2022-23 increased by 53% over the previous year. We spent \$8,641,762 in FY 2023-24, up from \$5,574,804 in FY2022-23.

2023/24 Expenses

For the first time in four years, our biggest category of expenses was Artist Expenses, which comprised 44.1% of our Total Expenses (up from 28% in FY2022-23). Artist Expenses increased by 143% year-on-year (\$3,812,386, up from \$1,565,917 in the previous fiscal year). This substantial increase can be attributed not only to increased concert activity and additional artists (visa fees increased by 481% year-on-year, which means we brought almost five times as many artists to Hong Kong!) but also because (i) Joyce DiDonato’s EDEN involved a large ensemble and (ii) for the first time since 2019, we brought over international ensembles (Adam Hall & the Velvet Players and Hot Club of San Francisco) for week-long school tours and concert activities.

2023/24 Expenses Compared to 2022/23

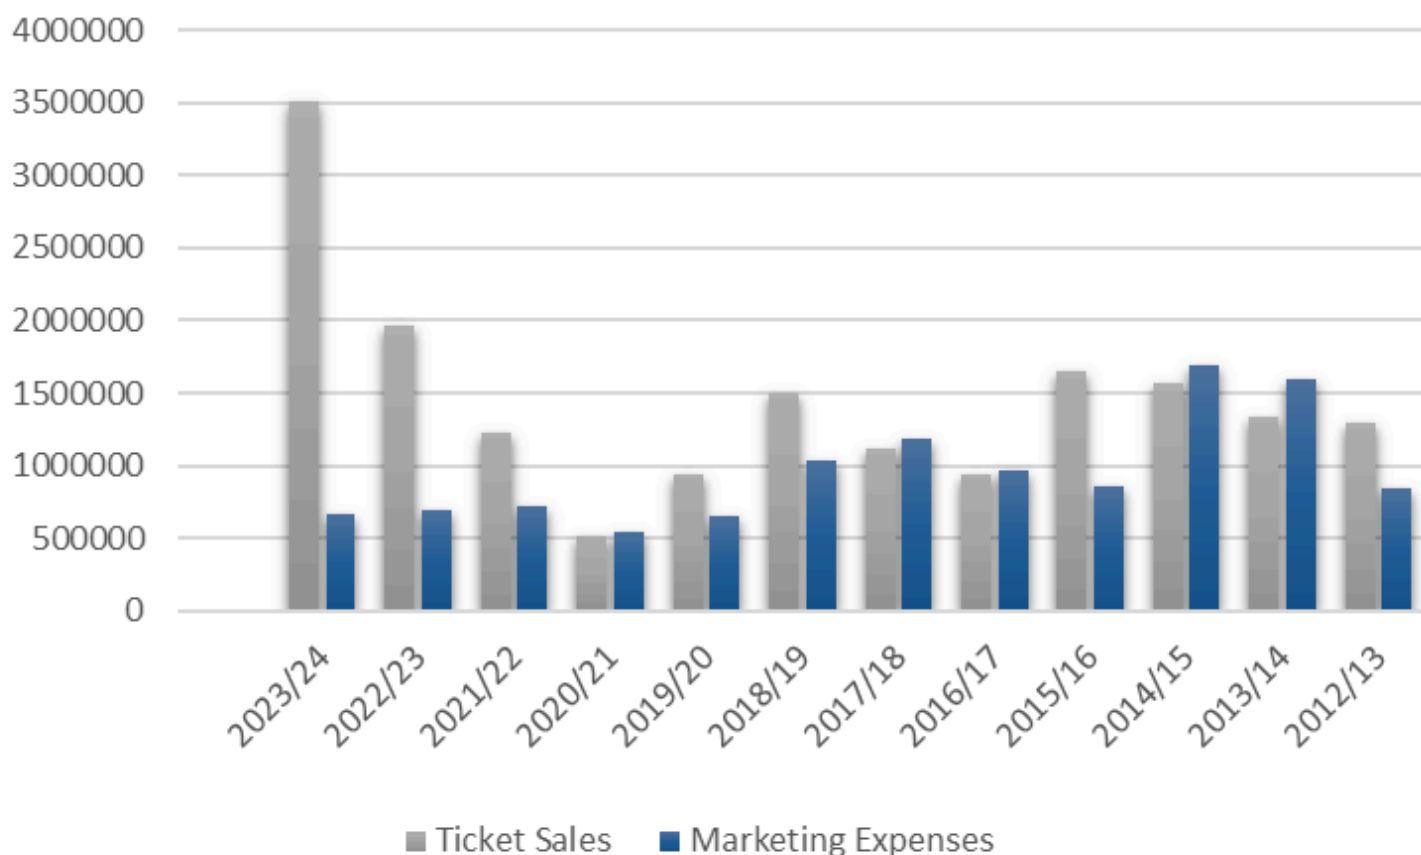

The second largest category of expenses was Administration, which comprised 30.6% of Total Expenses (down from 42% in the previous year). Administration costs increased 12% year-on-year (\$2,645,860, compared to \$2,362,761 in FY2022-23). Payroll costs (plus MPF) accounted for 66% of Administration costs (67% in FY2022-23), and office rent was 16% of Administration costs (18% in FY2022-23). Payroll costs increased by 10% year-on-year.

Concert Production (venue rental, production, printing) accounted for 17.5% of our Total Expenses (13% in 2022-23), almost doubling year on year (\$1,512,790 in FY2023-24, up from \$751,989 in FY2022-23) which is an increase of 91%. With things returning to normal, the LCSD ended its subsidy of the venue rental fees, so our venue rental costs increased 235% year-on-year.

Marketing Expenses continued to decrease, down 4% over the previous fiscal year, constituting only 7.8% of our Total Expenses (down from 12% in FY2022-23). We spent \$670,726 for Marketing (down from \$684,961 in FY2022-23). With the increased migration to digital marketing, we no longer need to procure expensive MTR campaigns or print ads, so our Marketing Expenses have decreased significantly.

Since we previously benchmarked our success as having more Ticket Sales than Marketing Expenses, a look at these two variables over the last ten years shows how far we have come in our marketing efforts. In five of the last ten years, Marketing Expenses were higher than Ticket Sales or about equal. That has clearly not been the case for the last three years, and this year especially, where Ticket Sales exceeded Marketing Expenses by a ratio of 5 to 1.

### Ticket Sales VS Marketing Expenses over the past 10 years
